Bird Plant List

PROJECT TITLE	[Project's title]		
PROJECT MANAGER	[Project Manager's name]	**DATE**	

Bloom Period - W = white bloom

Plant Species	Sun	Soil Moisture	Height	Attributes	MAR	APR	MAY	JUNE	JULY	AUG	SEPT	OCT	NOV	DEC	JAN	FEB
Trees																
Quercus alba, Q. velutina, and Q. stellata - White, Black, and Post Oaks	Sun, Part Shade	Moderate	40 feet	Caterpillars and nesting												
Prunus serotina - Black cherry	Sun, Part Shade	Moderate	40 feet	Caterpillars, seed/fruit source	W	W	W	W								
Prunus virginiana - *Choke cherry*	Sun	Dry, Moderate	25 - 40 feet	Caterpillars, seed/fruit source		W	W	W	W							
Betula papyrifera and B. populifolia - Paper Birch and Gray Birch	Sun, Part Shade	Dry to wet	40 feet	Caterpillars												
Acer rubrum - Red maple	Sun, Part Shade	Wet, Moderate	40 feet	Caterpillars												
Pinus rigida - Pitch pine	Sun	Moderate	40 feet	Caterpillars												
Carya glabra and C. tomentosa - Pignut hickory and Mockernut hickory	Sun, Part Shade	Moderate	40 feet	Caterpillars												
Crataegus crus-galli - Cockspur hawthorn	Sun	Moderate	25 - 40 feet	Caterpillars and Seed/Fruit source												
Fagus grandifolia - American beech	Sun, Part Shade	Moderate	40 feet	Caterpillars												
Ilex opaca - American holly	Sun, Part Shade	Wet, Moderate	40 feet	Seed/Fruit source	W	W	W	W								
Nyssa sylvatica - Beetlebung	Sun to shade	Wet, Moderate	25 - 40 feet	Seed/Fruit source		W	W	W								

Shrub/Small Tree																
Quercus ilicifolia and Q. prinoides - Scrub Oak, and Dwarf chinquapin oak	Sun, Part Shade	Dry, Moderate	15 - 24 feet	Caterpillars												
Prunus maritima - Beach plum	Sun, Part Shade	Dry, Moderate	5 - 8 feet	Caterpillars and seed/fruit source		W	W	W								
Salix discolor - Pussy willow	Sun, Part Shade	Wet, Moderate	8 feet	Caterpillars	W	W										
Salix humilis - Prairie willow	Sun, Part Shade	Dry to wet	5 - 8 feet	Caterpillars		W	W									
Vaccinium corymbosum - Highbush blueberry	Sun, Part Shade	Wet, Moderate	8 feet	Caterpillars and fruit												
Alnus incana and A. serrulata - Speckled and Common Alder	Sun, Part Shade	Wet, Moderate	8 feet	Caterpillars												
Benthamidia florida (Cornus florida) - Flowering dogwood	Sun, Part Shade	Moderate	15 - 24 feet	Caterpillars and seed/fruit source		W	W									
Lyonia ligustrina - Maleberry	Part Shade	Wet, Moderate	8 ft	Seed/fruit source				W								
Ilex glabra - Inkberry	Sun, Part Shade	Dry to wet	5 - 8 ft	Seed/fruit source				W	W	W	W					
Ilex verticillata - Winterberry holly	Sun, Part Shade	Wet, Moderate	5 - 8 ft	Seed/fruit source		W	W	W	W							
Amelanchier arborea, A. laevis, A. canadensis, and A. nantucketensis - Serviceberry, Allegheny serviceverry, Shadbush, and Nantucket shadbush	Sun, Part Shade	Wet, Moderate	15 - 24 ft	Seed/fruit source		W	W									
Lindera benzoin - Spicebush	Sun to shade	Wet, Moderate	5 - 8 feet	Seed/fruit source												
Rhus copallinum, R. glabra, R. hirta - Winged, Smooth, and Staghorn Sumacs	Sun, Part Shade	Dry, Moderate	8 feet	Seed/fruit source												
Viburnum dentatum - Arrowwood viburnum	Sun, Part Shade	Dry, Moderate	8 feet	Seed/fruit source			W	W	W							
Sambucus canadensis - Elderberry	Sun, Part Shade	Wet, Moderate	5 - 8 feet	Seed/fruit source			W	W								
Perennials/Grasses																
Vaccinium angustifolium - Lowbush blueberry	Sun, Part Shade	Moderate	5 feet	Caterpillars, seed/fruit source			W	W								
Vaccinium macrocarpon - Cranberry	Sun	Wet, Moderate	5 feet	Caterpillars. seed/fruit source												
Amelanchier stolonifera - Running serviceberry	Sun, Part Shade	Wet, Moderate	5 feet	Seed/fruit source		W	W									

	Asclepias syriaca - Common milkweed	Sun	Moderate		Caterpillars and fiber for nests												
	Asclepias tuberosa - Butterfly weed	Sun	Dry, Moderate		Caterpillars and fiber for nests												
	Helianthus divaricatus - Woodland sunflower	Part Shade, Shade	Dry to wet		Seeds												
	Helianthus strumosus - Pale-leaved sunflower	Sun to shade	Dry to wet		Seeds												
	Lobelia cardinalis - Cardinal flower	Sun, Part Shade	Wet		hummingbird nectar												
	Schizachyrium scoparium - Little bluestem	Sun	Dry, Moderate		Insects, seeds, and nesting												
	Panicum virgatum - Switchgrass	Sun, Part Shade	Wet, Moderate		Insects, seeds, and nesting
